

# DOST INTELLECTUAL PROPERTY AWARDS

## INDUSTRIAL DESIGN REGISTRATION AWARD

The **DOST Industrial Design Awards** are given in recognition of the efforts of DOST industrial designers whose designs have been filed for industrial design registration in the **last four (4) years preceding the award**.

### A. Requirements:

1. The Industrial Designers should be either an employee of the Department of Science and Technology (DOST) or former employee/s of DOST. Former employee/s should provide a certification that he/she has been part of the DOST agency at the time of filing the industrial design application to Intellectual Property Office of the Philippines (IPOPHL).
2. A duly accomplished Industrial Design (ID) Nomination Form should be submitted together with a photocopy of the Industrial Design Registration Certificate and Registrability Report issued by the Intellectual Property Office of the Philippines (IPOPHL).
3. Industrial Designs registered abroad should submit a copy of the certificate of registration accompanying the nomination form. The Bureau of Patents of IPOPHL shall provide information regarding the registration as verifiable online.
4. The Industrial Design certificates and registrability reports issued by the Intellectual Property Office of the Philippines (IPOPHL) should indicate the designers' affiliation as "Department of Science and Technology" or "DOST". The same document should contain *no adverse finding/s*.
5. The Industrial Design certificates and registrability reports issued by the Intellectual Property Office of the Philippines (IPOPHL) should reflect technical novelty. Entries with the same novel features and title are subject for disqualification.

### B. Incentive:

Type of Registration	Cash Incentive
Industrial Design	₱ 10,000.00

The deadline for submission of nominations is every last working day of July in the year of the award.
